Policy Comparison for PRO HC 3100 (12/08) vs. PRO HC 3100 (10/09)

PRO HC 3100 (12/08)PRO HC 3100 (10/09)**14. Demolition and Increased Cost of Construction:**

a) This policy is extended to cover the following when incurred by the Insured as a direct result of enforcement of a law or ordinance, when the law or ordinance:

- 1) Regulates the demolition, construction, repair, replacement or use of buildings or structures;
- 2) Is enforced as a direct result of direct physical loss or damage insured by this policy at a **location**; and
- 3) Is in force at the time of such loss or damage.

b) Coverage is provided for:

**Item A:** The reasonable and necessary cost to replace, with materials of like kind and quality, the physically undamaged portions of the insured buildings or structures when those portions are demolished;

**Item B:** The reasonable and necessary cost to demolish and clear any physically undamaged portions of the insured buildings or structures;

**Item C:** The reasonable and necessary cost incurred to actually rebuild the physically damaged and the undamaged portion, whether or not demolition is required, of such insured buildings or structures with materials and in a manner to comply with the minimum requirement of the law or ordinance;

**Item D:** The Business Interruption (if covered) loss during the additional time required for making the changes to the building or structures in coverage A, B and C above.

c) There will be no coverage for:

- 1) Any cost incurred as a direct or indirect result of enforcement of any law or ordinance regulating any form of **contamination, or fungus, mold or mildew**.

**14. Demolition and Increased Cost of Construction:**

a) This policy is extended to cover the following when incurred by the Insured as a direct result of enforcement of a law or ordinance, when the law or ordinance:

- 1) Regulates the demolition, construction, repair, replacement or use of buildings or structures;
- 2) Is enforced as a direct result of direct physical loss or damage insured by this policy at a **location**; and
- 3) Is in force at the time of such loss or damage.

b) Coverage is provided for:

**Item A:** The reasonable and necessary cost to replace, with materials of like kind and quality, the physically undamaged portions of the insured buildings or structures when those portions are demolished;

**15. Errors and Omissions:**

This policy is extended to cover direct physical loss or damage that would not be payable solely because of an error or unintentional omission:

- a) In the description or address of a property, insured by this policy, which existed: at the inception date of this policy; or in any subsequent amendments to this policy.

- b) Through failure to include any **location**:

- 1) Owned;
- 2) Occupied; or
- 3) Newly acquired;

By the Insured at the inception date or during the term of this policy.

- c) Which results in cancellation of insured property under this policy.

Coverage applies to the extent this policy would have provided coverage, had the error or unintentional omission not been made.

There will be no coverage:

- a) If coverage is found in whole or in part elsewhere in this policy.

- b) Due to any error or unintentional omission in the declaration of values, or in the description of the type of coverage or property.

Coverage provided by this extension is limited to property while located within: the fifty (50) United States; District of

**Pages 4 - 10****Explanation:** No change.**17. Terrorism:**

This policy covers direct physical loss or damage to insured property caused by or resulting from **terrorism**, but only at a **described location(s)**.

Any act which satisfies the definition of **terrorism** provided in Section H., Definitions, or in any **terrorism** endorsement to this policy, will not be considered to be vandalism, malicious mischief, riot, civil commotion, or any other risk which may be covered elsewhere in this policy. Amounts recoverable under this extension are excluded from coverage elsewhere in this policy.

If any Business Interruption Endorsement is part of this policy, any coverage provided by any such endorsement or by any extension of such coverage will not apply to any loss resulting from the **actual cash value** portion of direct physical loss or damage by fire caused by or resulting from **terrorism**.

This extension does not cover loss or damage which also comes within the terms of Section F., Perils Excluded, Group I, Item 2.a), or Section F., Perils Excluded, Group I, Item 2.c).

**17. Terrorism:**

This policy covers direct physical loss or damage to insured property caused by or resulting from **terrorism**, but only at a **described location(s)**.

Any act which satisfies the definition of **terrorism** provided in Section H., Definitions, or in any **terrorism** endorsement to this policy, will not be considered to be vandalism, malicious mischief, riot, civil commotion, or any other risk which may be covered elsewhere in this policy. Amounts recoverable under this extension are excluded from coverage elsewhere in this policy.

If any Business Interruption Endorsement is part of this policy, any coverage provided by any such endorsement or by any extension of such coverage will not apply to any loss resulting from the **actual cash value** portion of direct physical loss or damage by fire caused by or resulting from **terrorism**.

This extension does not cover loss or damage which also comes within the terms of Section F., Perils Excluded, Group I, Item 2.a), or Section F., Perils Excluded, Group I, Item 2.c).

**25. Soft Cost for Property in the Course of Construction/Renovation:**

This policy is extended to cover **soft costs** as a result of direct physical loss or damage insured by this policy to insured property at **locations** undergoing alterations or additions to existing property and property in the course of construction. This coverage applies from the time of such physical loss or damage until the property is restored to the same degree of completion as existed prior to the physical loss or damage but for no more than 365 consecutive days from the date of such physical loss or damage.

**26. Research and Development:****a) Research Animals**

This policy is extended to cover:

- 1) Direct physical loss or damage insured by this policy at a **described location** to research animals used in the Insured's research and development projects. This coverage applies only if such animals are fatally injured or their destruction is made necessary due to such loss or damage; and

- 2) Project restoration costs.

Project restorations costs will be covered from the time of such physical loss or damage until the research animals are restored to the same degree of completion as existed prior to such physical loss or damage, but for no more than 24 months from the date of such physical loss or damage.

**25. Soft Cost for Property in the Course of Construction/Renovation:**

Policy Comparison for PRO HC 3100 (12/08) vs. PRO HC 3100 (10/09)

**PRO HC 3100 (12/08)****PRO HC 3100 (10/09)****b) Research Experiments**

This policy is extended to cover:

1) Direct physical loss or damage insured by this policy at a **described location** to **research experiments**; and

2) Project restoration costs.

This extension does not insure against loss or damage caused directly or indirectly by or resulting from the following, regardless of any other cause or event whether or not insured under this policy that contributes concurrently or in any sequence to the loss:

Sickness, disease, infection, infestation, death, destruction, injury, or any medical condition, all from natural causes; escape; failure to provide adequate care, nourishment, medicine or sanitary conditions; errors in testing, experimenting or other work performed; and **contamination**.

**27. Patients' Personal Property:**

This policy is extended to cover direct physical loss or damage of the type insured by this policy to patients' personal property of the type insured while such personal property is at a **described location**, whether or not such personal property is in the control of the Insured.

**28. Interruption by Communicable Disease:**

This policy is extended to cover the reasonable and necessary expenses incurred by the Insured to:

a) Clean up, remove, and dispose of communicable diseases from insured property at a **described location**; and

b) Restore the premises;

In a manner to satisfy the minimum requirements of any law or ordinance regulating communicable diseases.

This policy is also extended to cover

**b) Research Experiments**

This policy is extended to cover:

1) Direct physical loss or damage insured by this policy at a **described location** to **research experiments**; and

2) Project restoration costs.

This extension does not insure against loss or damage caused directly or indirectly by or resulting from the following, regardless of any other cause or event whether or not insured under this policy that contributes concurrently or in any sequence to the loss:

Sickness, disease, infection, infestation, death, destruction, injury, or any medical condition, all from natural causes; escape; failure to provide adequate care, nourishment, medicine or sanitary conditions; errors in testing, experimenting or other work performed; and **contamination**.

**27. Patients' Personal Property:**

This policy is extended to cover direct physical loss or damage of the type insured by this policy to patients' personal property of the type insured while such personal property is at a **described location**, whether or not such personal property is in the control of the Insured.

**28. Interruption by Communicable Disease:**

This policy is extended to cover the reasonable and necessary expenses incurred by the Insured to:

a) Clean up, remove, and dispose of communicable diseases from insured property at a **described location**; and

Policy Comparison for PRO HC 3100 (12/08) vs. PRO HC 3100 (10/09)

PRO HC 3100 (12/08)PRO HC 3100 (10/09)**Pages 17 - 18**

**Explanation:** Flood was split into two separate exclusions, 8. and 9. Exclusion 9. took the wording out of exclusion 8. so as to stand separately with the wording, "Seepage or Influx of water from natural underground sources below the surface of the ground." The paragraphs were renumbered. No Change in coverage.

<p><b>GROUP II.</b> This policy does not insure against loss or damage caused by the following; however, if direct physical loss or damage insured by this policy results, then that resulting direct physical loss or damage is covered.</p>	<p><b>GROUP II.</b> This policy does not insure against loss or damage caused by the following; however, if direct physical loss or damage insured by this policy results, then that resulting direct physical loss or damage is covered.</p>
<p>1. Wear and tear, deterioration, inherent vice, latent defect,  <del>vermin or insects</del> (moved to Item 8. opposite).</p>	<p>1. Wear and tear, deterioration, depletion, <u>rust</u>, <u>corrosion</u>, <u>erosion</u>, (moved from Item 4. opposite) inherent vice, latent defect.</p>
<p>2. Defects in materials, faulty workmanship, faulty construction or faulty design.</p>	<p>2. Defects in materials, faulty workmanship, faulty construction or faulty design.</p>
<p>3. Loss or damage to stock or materials attributable to manufacturing or processing operations while such stock or materials are being processed, manufactured, tested, or otherwise being worked upon.</p>	<p>3. Loss or damage to stock or materials attributable to manufacturing or processing operations while such stock or materials are being processed, manufactured, tested, or otherwise being worked upon.</p>

**Page 17.**

**Explanation:** Vermin and insects were moved to Item 8; rust, corrosion, and erosion were moved from Item 4 into Item 1. There is no change in coverage.

<p>4. Dampness or dryness <del>of atmosphere</del>; changes of temperature; <del>freezing</del>; except damage to fire protective equipment caused by <del>freezing</del>; <del>heating</del>;  <del>shrinkage; evaporation; loss of weight</del> (moved to Item 9. opposite);  <del>change in color, flavor, texture or finish</del> (moved to Item 8. opposite);  <del>depletion; rust; corrosion; erosion</del> (moved to Item 1. opposite).</p>	<p>4. Changes of temperature; dampness or dryness.  <u>All whether atmospheric or not.</u>  Except damage to fire protective equipment and machinery or equipment caused by <u>changes in temperature</u>.</p>
<p>5. <b>Contamination</b>, and any cost due to <b>contamination</b> including the inability to use or occupy property or any cost of making property safe or suitable for use or occupancy; nor will the foregoing constitute direct physical loss or damage insured by this policy. This exclusion does not apply to radioactive contamination which is excluded in Section F., Perils Excluded, Group I, Item 1.</p>	<p>5. <b>Contamination</b>, and any cost due to <b>contamination</b> including the inability to use or occupy property or any cost of making property safe or suitable for use or occupancy; nor will the foregoing constitute direct physical loss or damage insured by this policy. This exclusion does not apply to radioactive contamination which is excluded in Section F., Perils Excluded, Group I, Item 1.</p>
